Grifform Innovations®
Trench Drain Floor -
Determined to improve your environment.

To better service the healthcare environment, Grifform Innovations® offers a Trench Drain shower floor. This design directs the water flow to prevent standing water or possibility of slipping, and integrates with the bath floor system already in place, or with the Grifform Innovations® DuPont™ Corian® Bath Floor. A slip resistant finish is engineered to the surface to better ensure that you have no risk management issues. Grifform Innovations® offers ADA compliant shower systems and are certified by NAHB Research Center. The use of the removable Trench Drain makes cleaning easy. Lower installation and maintenance cost make the quality of DuPont™ Corian® an investment in years of savings and service.
