An Extra Touch Of Elegance

Griform Innovations®
 Promotional Products-
 Determined to improve your environment.

Griform Innovations® offers you a beautiful assortment of promotional products. Promote your company with customized products made from DuPont™ Corian®. Thanks to DuPont™ and Griform Innovations®, you can now have items such as business card holders, napkin holders, pastry boards, coasters, cutting boards, serving trays, trivets, lazy susans, hanging decorative fish and wildlife art and even key chains made from DuPont™ Corian®. Griform Innovations® Accessories & Promotional Products offer a tasteful and elegant accent to any surrounding. All items can be personalized for that extra touch of elegance. Imagine coasters or a serving tray with your logo, school emblem, or family crest engraved and color filled with Griform Innovations® Colorfil to maintain a smooth clean surface. DuPont™ Corian® produces a durable surface that looks good and feels luxurious. It is easy to clean, and restore beautifully if damaged.

Benefits

- Elegant promotional item
- Maintenance free and long-lasting
- Food and stains wipe off easily with soap and water
- Match to existing Corian® Surfaces

Features

- Rich visual texture
- Diverse selection
- Durable and functional
- Non-Porous, cleanable surface
- Hygienic and sanitary surface

Care & Maintenance

- Normal cleaning: Use soapy water or dishwasher
- Difficult stains: Use abrasive cleanser and a ScotchBrite™ pad
- Removing cuts and scratches: Use 180 grit fine sandpaper until cut is gone. Restore finish with abrasive cleanser and a ScotchBrite™ pad
- Polishing: Use a polishing compound for non-food contact surface
