

CHALLENGES

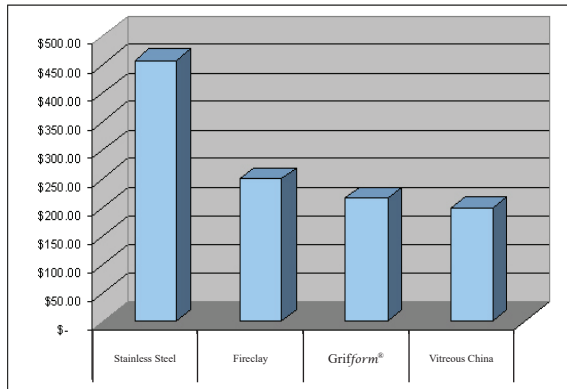

- Monolithic transition from counter into sink bowl.
- Bowl does not harbor the growth of micro organisms.
- Bowl that is easily maintained.
- Wide choice of color and style.
- Easily installed.

SOLUTION

- Grifform Innovations® Lavatory Sinks built from DuPont™ Corian® in wide color choices meet the challenge.

RESULTS

- Catalog of part numbers with specifications available.
- When applied to a DuPont™ Corian® counter top it makes for a monolithic - seamless design.
- Material is nonporous so it does not support the growth of micro organisms.
- Easily maintained for lasting value.
- Certified by Home Innovations Research Labs.

ATTRIBUTED VALUE OF THE GRIFform® LAVATORY SINKS

- Custom shapes and sizes available
- Lower maintenance cost
- DuPont™ Corian® can help earn points for LEED program
- Easy installation
- Extended life cycle

Grifform Innovations® offers a full line of sinks to choose from. From patient room to public rest room, style, color and design are all factors in deciding the best DuPont™ Corian® Lavatory Bowl that meets your healthcare requirements. Integrating a Grifform Innovations® bowl into a vanity top made of DuPont™ Corian® solves both practical and aesthetic challenges of the rigorous demands of the healthcare environment.

All sinks are available for undermount or overmount installation.

Griform Innovations®
Lavatory Sinks

All lavatory drains come with an overflow drain assembly unless requested otherwise.

Griform Innovations® has developed many style options of lavatory bowls. These bowls are prepared for ease of installation. All drain holes are nominally 1 3/4" in diameter and accept all standard drain hardware, including waste overflow units.
